Hughes Bronston.

Misses Susan and Sallie Bronston, of Lexington, received a telegram from Poplar Bluffs, Mo., giving the information that their brother, Mr. Hughes Bronston, is very ill there with pneumonia and that small hopes are entertained for his recovery. The dispatch said that if any members of the family wished to see him alive they should come at once as he is very low.

Miss Kate Alexander, of Paris, a sister in law of Mr. Bronston, left Friday night and the Misses Bronston wired to their brother, Mr. Wm. Bronston, who is at present in Chicago, to go to Poplar Bluffs. Mr. Bronston's trouble is pneumonia of the typhoid type and is the second attack within a short time.

LATER—A message to Mr. George Alexander last night stated that Mr. Bronston died at 5:30 yesterday afternoon.

WHY WOMEN ARE NOT

Man is a millionaire many times over in the possession of blood cells. Woman is not quite so rich, for scientists have proven that the normal man has five million—the woman only four and a half million to a cubic millimetre of blood. A decrease in number of red blood corpuscles and a person "looks pale"—in fact, is anemic, the blood does not get the right food and probably the stomach is disordered.

Dr. R. V. Pierce found years ago that a glyceric extract of golden seal and Oregon grape roots, queen's root and bloodroot with black cherry bark, would help the assimilation of the food in the stomach, correct liver ills and in Nature's own way increase the red blood corpuscles. This medicine he called Dr. Pierce's Golden Medical Discovery. By assimilating the food eaten the system is nourished and the blood takes on a rich red color. Nervousness is only "the cry of the starved nerves for food," and when the nerves are fed on rich red blood the person loses those irritable feelings, sleeps well at night and is refreshed in the morning.

"I was attacked with a severe nervous disease, which was caused by a disordered stomach and liver," writes Mr. J. D. Lively, of Washburn, Tenn., Route 2, Box 33. "All my friends thought I would die and the best physicians gave me up. I was advised to try Dr. Pierce's Golden Medical Discovery, and derived much benefit from same. My case had run so long, it had become so chronic that nothing would effect a permanent cure, but Dr. Pierce's medicine has done much for me and I highly recommend it. I heartily advise its use as a spring tonic, and further advise alling people to take Dr. Pierce's medicines before their diseases have run so long that there is no chance to be cured."

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonfuls ends a late cough, while persistent use routs obstinate coughs, expels stubborn colds or heals weak, sore lungs. "I feel sure it's a Godsend to humanity," writes Mrs. Effie Morton, Columbia, Mo., "for I believe I would have had consumption today if I had not used this great remedy." You Want the Best— Not the Cheapest

Don't be alarmed if somebody tells you you can buy an automobile for less money than the \$750 Studebaker-Flanders "20." You can, but you better not. The Flanders "20" corresponds point by point with the best and highest priced cars sold. Cheaper cars at every vital point are built on ideas long ago discarded for good cars. Don't take our word for it. Make comparisons and see.

The Studebaker-Flanders "20" is a marvel—a high grade modern car at a low price. If you pay less you buy much less. And the cheaper car today will cost you far more in the long run. The competing car isn't sold which the Studebaker Corporation, the greatest automobile manufacturers in the world, couldn't reproduce for less money; but we won't build a cheap car, because the name "Studebaker" means the best for your money.

If you are content with a car that runs today and dies tomorrow, don't buy the \$750 Flanders "20." It will wear for years. Remember this—the Studebaker-Flanders "20" will outwear 2 to 3 any other car under \$1100 and give you double satisfaction, confidence and comfort into the bargain.

We can prove it—Send for new catalogue

McClintock Rule Dismissed

After hearing the arguments of attorneys and testimony submitted by affidavits, Judge Kerr in the Fayette Circuit Court on Saturday afternoon dismissed the rule taken several weeks ago for James D. McClintock to appear before the court and show cause why he should not be held in contempt of court for failure to pay alimony due his wife, Mrs. Maggie Rogers McClintock.

The Court of Appeals rendered a decision some time ago in which the court granted Mrs. McClintock a divorce from bed and board and awarded her alimony in the sum of \$100 a month. The defendant was several weeks behind in the payment of alimony. Judge Kerr directed that Mr. McClintock pay \$100 immediately and that another payment of \$200 be made on or before January 1. In response to the rule Col. John R. Allen, representing Mr. McClintock, admitted that Mr. McClintock was behind in payment of alimony in the sum of about \$600. He stated that about three weeks ago Mr. McClintock paid his wife \$100 and said that the reason that he had not paid the remainder was that he did not have the money on hand. Col. Allen also stated that Attorney Maury Kemper, representing Mrs. McClintock, had put the motion on the docket without consulting Judge George C. Webb and Robert Talbott, other attorneys for Mrs. McClintock. In response to the rule Mr. McClintock filed an affidavit stating that he is indebted to the Agricultural Bank of Paris, notes and overdrafts in the sum of \$8,221; that he owes his sister \$1,500, Judge Denis Dundon \$1,500 for legal services in damage suits and other debts including attorney's fees for his wife amounting to about \$12,000.

Attorney Kemper in arguing the motion stated that Mrs. McClintock was without money to meet her board bill and other expenses, that she was compelled to have money to support their child and that she was compelled to seek the court for relief. Mr. Kemper said that he disclaimed knowing anything about the strained circumstances of Mr. McClintock.

Liquor adherents of Scott county yesterday filed a petition signed by fourteen voters of the Stonewall precinct asking that their names be withdrawn from the petition filed by the "drys" recently asking for a local option election to be held January 23. This leaves the "drys" eight short of the legal number required to call an election.

Attention Electric Consumers.

On and after January 1, 1913, the following rates and schedules for electric consumers will be in force and effective, and said rates will apply to the consumption during the month of December, 1912:

First 25 kilowatt hours used, 12 cents per kilowatt hour.
Next 50 kilowatt hours used, 11 cents per kilowatt hour.
Next 100 kilowatt hours used, 10 cents per kilowatt hour.
Next 100 kilowatt hours used, 9 cents per kilowatt hour.
Next 100 kilowatt hours used, 8 cents per kilowatt hour.
Next 100 kilowatt hours used 7 cents per kilowatt hour.
Next 100 kilowatt hours used 6 cents per kilowatt hour.
All used in excess of above 5 cents per kilowatt hour.

From the above prices a discount of 1 cent per kilowatt hour will be allowed on all bills paid on or before the discount date.

For the further convenience of our patrons we will advance the discount date from the tenth to the fifteenth day of the month.

We also wish to state that on carbon incandescent lamps we will furnish free removals, providing burnt out lamps have been originally purchased from us, and provided same are returned with globes unbroken.

In spite of this free renewal of carbon lamps we wish to frankly state to our patrons that it will be to their best interest to use Tungsten lamps, the saving in current consumed being sufficient to pay for the additional lamp cost and still leaves a nice margin of profit in the saving to the consumer in his electric light bill.

In conclusion we wish to say that it is to our desire to give to one and all the greatest amount of light for the least money, to give courteous and prompt attention to all complaints and in return we ask that our customers cooperate with us in a mutual effort to advance the best interest of all parties. We beg to remain, Respectfully,

THEATRICAL.

THE COLUMBIA.

Quite a furore in the film circles was created when the Mutual Film Corporation advised the Columbia that they had been given the exclusive right to present all and any of their releases in this city.

This corporation releases the Than-houser, Reliance, Kay-Bee, Broncho, and others, and produce such pictures as "Custer's Last Fight," "The Invaders," "Women in White," "Hazel Kirk," "His Squaw," and other similar subjects.

All of these pictures have been or will be shown at the Columbia Theatre or are booked for future presentation.

For Thursday, December 19, "The Invaders" will be shown for the first time in this city. This is a three reel feature picture by the Kay-Bee Company, and produced on the same "stupendous scale" as "Custer's Last Fight," which was made by the same company.

For Friday, December 27, the great religious picture, "The Star of Bethlehem," is to be presented with special music and singing. This picture is pronounced by the clergy as being the greatest picture of the kind ever presented. It is made by the Than-houser Company which alone guarantees perfection. This picture will be shown in this city exactly three days after it is released, thus showing that the management is leaving no stone unturned to give the lovers of high class pictures the best to be had in motion photography.

STOCK, CROP AND FARM NOTES.

—A large tobacco barn containing 7,000 pounds of tobacco, belonging to Mike O'Connell, of Carlisle, was destroyed by fire Friday night. Loss about \$1,500 with \$550 insurance. When the blaze was discovered citizens of Carlisle thought one of the large loose leaf warehouses was on fire and intense excitement prevailed.

—Speculators all over the Burley belt are active and many sales in every county are noted at from 9 to 15 cents per pound.

—Dressed chickens sell at 20 cents per pound. Dressed turkeys have reached the record price of 30 cents per pound retail.

—Bohon & Young, of Lebanon, sold to the Hudson Mule Company, of Atlanta, Georgia, last week 70 fat cotton mules at \$217.50 per head.

—It is estimated that the turkey crop of Owen county this year will bring over \$50,000. This business has grown to this dimension within the past few years, as one that was regarded as precarious pin money for housewives.
